Caring for

THE ENGLISH LAKE DISTRICT
WORLD HERITAGE SITE

OUR STORY

We love the Lake District. We've been caring for this beautiful place for over 24 years to raise funds from visitors and the tourism industry. You might remember us as Nurture Lakeland but we relaunched as The Lake District Foundation in 2017.

We are passionate about inspiring people to look after this spectacular landscape, wildlife and cultural heritage for future generations.

Our approach to achieving this vision is by raising funds and giving out funds to effective projects that share our goals.

We want to inspire businesses, visitors and other donors to support projects and programmes of work across the Lake District.

BECOME A REGULAR SUPPORTER TODAY

This beautiful place is fragile, and we need your help to look after the Lake District today and for future generations.

Working with local communities, your donations to the Lake District Foundation will make a difference to projects in every corner of the county, from wildlife protection to footpath restoration, scientific research and flood resilience.

Help to care for the spectacular landscapes, wildlife and cultural heritage of the Lake District by completing the direct debit form inside. We can't give you a lot but as a valued supporter you will receive a welcome pack including:

- 🌿 Lake District Foundation tote bag
- 🌿 Lake District Foundation window sticker
- 🌿 Limited Edition pin badge
- 🌿 Limited Edition woven patch badge

RECENTLY FUNDED PROJECTS

Your donations support effective projects, organisations and programmes of work that help keep the landscape, wildlife and cultural heritage of the Lake District and Cumbria special. Here's a few examples:

ADOPT A BECK

The project will improve the habitat of Dash Beck for a range of wildlife, particularly salmon and trout, and improve the safety and accessibility of the footpath from Bassenthwaite village to the lake.

FIX THE FELS

Fix the Fells use specialist techniques, rangers and volunteers to repair and maintain the extensive network of upland paths across the Lake District for future generations to enjoy.

HAWESWATER WOODLAND PLANTING PROJECT

Local volunteers will help plant 400 individually protected native trees on a carefully selected area of Mardale Common, extending the existing ancient woodland and contributing to the resilience of the iconic Lake District landscape, as older trees are lost.

COMMUNITY HERITAGE

The project will deliver a series of community workshops throughout Cumbria & the Lake District which will help residents understand and take ownership of the Cultural Heritage of the Lake District World Heritage Site.

“We are grateful to the generous donors who are helping us to care for the landscapes, wildlife and cultural heritage of the English Lake District. Thank you!”

Sarah Swindley, Director, Lake District Foundation

giftaid it

Make your gift go further, at no cost to you. Do you pay tax? If so, you can increase the value of your gift by 25p for every £1.

☐ Please tick here if you are a UK taxpayer and would like the Lake District Foundation to reclaim tax on any donations made over the previous four years and all donations in the future, until you notify us otherwise. You must have paid enough income or capital gains tax during the tax year to cover the amount of tax that all charities or Community Amateur Sports Clubs that you donate will reclaim on all your gifts for that year. Other taxes such as VAT and Council Tax do not qualify.

☐ Please send me a welcome pack.

☐ I would like to receive the Lake District Foundation e-newsletter.

What prompted you to support us today?
