## Orrest Head

We are trying to raise £50,000 towards improvements to this popular vantage point. Not everyone can make it to the top so we want to create an alternative path suitable for people with limited mobility, including people with powered-wheelchairs and families with pushchairs. To donate or find out more [click here](#)

## Lottery fever

Don't forget, you can support the LDF via our weekly lottery. For every £1 played, 50p comes direct to the LDF, with the remaining 50p covering administration costs and going towards the prize fund. With a 1/63 chance of winning, its too good an opportunity to miss. [Play here](#)
